GROUP
putting more into motorhomes

An attractive combination of taste and space

AUTOQUEST

Experience award winning levels of refinement

For such an incredibly low priced motorhome the Autoquest range has caused quite a stir. For two consecutive years, and against much more costly competition, it has won the prestigious Caravan Club Design and Drive awards. The new 2009 range is set to continue building on the strengths of Peugeot's supremely efficient 2.2 HDi Boxer and the Eddis design team's undoubted skill in marrying on-road dynamics with home-from-home luxury and effortless functionality. Sleek aerodynamic styling sits harmoniously with an on-board environment that could only be the result of our time honoured craftsmen working with the latest innovations to make life that touch more leisurely.

EXPLORER GROUP - DRIVING HOME SAFETY!

Your safety is at the heart of all our motorhomes. The standards to which we build our vehicles are amongst the most stringent in Europe and as testimony to this, Explorer Group is the UK's first manufacturer to have gained EC Whole Vehicle Type Approval for its range of motorhomes via the Vehicle Certification Agency (VCA).

Room to live and love!

AUTOQUEST

Go softly into the night

With the paraphernalia of the day neatly stowed away in all the handy cupboards and lockers which abound, the transformation from day to night is a breeze. Out from storage come linen and duvets, tables fold and store neatly in their special places and oh-so-comfortable beds slip into place smoothly and effortlessly. The new hi-line models, with their sleek aerodynamic profile now boast 15% more bed width and have up to 10% more headroom.

Pull the blinds, draw the curtains, dim the lights and you're at home for a night of unbroken tranquility. Comfy mattresses, cooling ventilation and intelligent insulation ensure you're fresh next morning for another day of leisure in your Autoquest.

The sweet taste of success

Fresh food, chilled wine and the space to prepare everything from the traditional 'campsite fry up' to a Sunday roast for all the family. The galley in your new Autoquest is a well planned space where everything has been carefully designed to provide you with a pleasant uncluttered cooking environment.

Both hob and sink covers, made from virtually indestructible 'Chinchilla' glass, double up as cutting boards as well as hot standing areas for items straight out of the new Spinflo combination oven. Ingredients will never be in short supply from the generous 92ltr Dometic fridge and plentiful, spacious cupboards.

AUTOQUEST

Get clean away

A good washroom is almost as much about relaxation as it is hygiene. Autoquest's wet rooms are state of the art. Practical, well ventilated and brilliantly packaged these washrooms simply shout style. Polished chrome offsets the clean lines of the domestic-look fixtures and fittings. And as you would expect from Elddis, important little touches like an anti-bacterial shower mat and a tailored shower curtain have already been considered.

Explorer Group has teamed up with industry specialists, Whale to create an all-new pressurised water system. Connect directly to mains water supply, auxillary water tank or Aquaroll®, automatically topping up the on-board water tank without the need for a manual change over - with the added benefit of an automatic shut-off when full.

OVERALL WINNER 2007 & 2008
Motor Caravan Design and Drive Awards

"Astonishing Value for Money"

....motorhomes with the seal of approval

Explorer Group is the only UK caravan and motorhome manufacturer to be accredited by the Institute of Mechanical Engineers.

Every Explorer Group motorhome comes with EC Whole Vehicle Type Approval.

All our models have been certified by the National Caravan Council for compliance with stringent European standards, British legislation and industry-set codes of practice specifically relating to health and safety issues. The approval process covers the testing and inspection of critical areas of each product from fire safety, weights and dimensions, to gas, electrical supply and ventilation. Relax, safe in the knowledge every Explorer Group caravan and motorhome is built with your safety and satisfaction in mind.
